

Study Guide and Learning Activities for Training Manual for Intravenous Admixture Personnel

By Vincent J. Tormo, Max L. Hunt

Precept Press, Inc, United States, 1998. Paperback. Book Condition: New. 228 x 153 mm. Language: English . Brand New Book. This study guide was custom designed for use in high-quality training programs to teach staff proper procedures for preparing intravenous admixtures. To be used with the Training Manual for IV Admixture Personnel. Includes a removable answer key and is great for documenting competency to meet JCAHO requirements. This study guide can help the trainer or instructor assess the student s knowledge of IV admixture compounding prior to the start of training, schedule training experience to ensure proper integration of discussions, self-study, and practical experience, help clarify any questions related to the training manual material and study guide activities and tests, and customize the training to reflect institution-specific policies.
